P. Vacancies. A vacancy in any directorship shall be filled by the person or body having the right to originally elect or appoint such director.

Q. Powers and Duties of the Board of Directors. All of the powers and duties of the Association existing under the Condominium Act, Declaration of Condominium, Articles of Incorporation, and these Bylaws shall be exercised exclusively by the Board of Directors, its agents, contractors or employees, subject only to approval by condominium unit owners where such approval is specifically required.

ARTICLE IV OFFICERS

A. The executive officers of the Association shall be a President, who shall be a director; a Vice President, who shall be a director; a Treasurer; a Secretary; and an Assistant Secretary, all of whom shall be elected annually by the Board of Directors and who may be peremptorily removed by vote of the directors at any meeting. Any person may hold two or more offices except that the President shall not be also the Secretary or Assistant Secretary. The Board of Directors, from time to time, shall elect such other officers and designate their powers and duties as the Board shall find to be required to manage the affairs of the Association.

B. The President shall be the chief executive officer of the Association. He shall have all of the powers and duties usually vested in the office of president of an

association, including but not limited to the power to appoint committees from among the members from time to time, as he, in his discretion, may determine appropriate to assist in the conduct of the affairs of the Association.

C. The Vice President, in the absence or disability of the President, shall exercise the powers and perform the duties of the President. He also shall assist the President generally and exercise such other powers and perform such other duties as shall be prescribed by the directors.

F. The compensation of all employees of the Association shall be fixed by the directors. The provision that directors' fees shall be determined by members shall not preclude the Board of Directors from employing a director as an employee of the Association nor preclude the contracting with a director for the management of the Condominium.

ARTICLE V

FISCAL MANAGEMENT

The provisions for fiscal management of the Association set forth in the Condominium Act, the Declaration of Condominium and Articles of Incorporation shall be supplemented by the following provisions:

A. Accounts. The receipts and expenditures shall be credited and charged to accounts under the following classifications as shall be appropriate:

1. Current expenses, which shall include all receipts and expenditures within the year for which the budget is made, including a reasonable allowance for contingencies and working funds, except expenditures chargeable to reserves, to additional improvements or to operations. The balance of this fund at the end of each year shall be applied to reduce the assessments for current expense for the succeeding year.

2. Reserve for deferred maintenance, which shall include funds for maintenance items that occur less frequently than annually.

3. Reserve for replacement, which shall include funds for repair or replacement required because of damage, depreciation or obsolescence.

4. Betterments, which shall include the funds to be used for capital expenditures for additional improvements or additional personal property that will be a part of the common elements.

5. Operations, which shall include gross revenues from the use of common elements and from other sources. Only the additional direct expense required by any revenue producing operation will be charged to this account, and any surplus from any operation shall be used to reduce the assessments for current expense for the year during

which the surplus is realized, or, at the discretion of the Board of Directors, in the year following the year in which the surplus is realized. Losses from operations shall be met by special assessments against condominium unit owners, which assessments may be made in advance in order to provide a working fund.

B. Budget.

1. Adoption by Board of Directors. The Board of Directors shall adopt a budget for each calendar year for each condominium administered by the Association that shall include the estimated funds required to defray the common expenses and to provide and maintain funds for the foregoing accounts and reserves. The adoption of a budget shall comply with the requirements hereinafter set forth:

(a) Notice of Meeting. A copy of the proposed budget of common expenses shall be mailed to each unit owner not less than thirty (30) days prior to the meeting at which the budget will be considered, together with a notice of that meeting indicating the time and place of such meeting.

(b) Recall of Directors and Revision of Budget.

(i) Special Membership Meeting. If a budget is adopted by the Board of Directors which requires assessment against unit owners in any year exceeding one hundred fifteen (115%) percent of such assessments for the preceding year, as hereinafter defined, upon written application of ten (10%) percent of the unit owners, a special meeting of the unit owners shall be held within thirty (30) days of delivery of such application to the Board of Directors or any member thereof. The notice of said meeting shall state the purpose of the meeting being to consider and enact a revision of the budget or to consider and enact the recall of any and all members of the Board of Directors and to elect their successors.

(ii) Recall of Directors. During such period as Developer shall have the right to elect a majority of the directors of the Association, recall of any and all members of the Board of Directors elected by any condominium shall require the affirmative vote of all of the unit owners of such condominium. Subsequent thereto, the recall of any and all members of the Board of Directors elected by any condominium shall require the affirmative vote of not less than seventy-five (75%) percent of the unit owners of such condominium.

(iii) Revision of Budget. During such period of time as the Developer shall have the right to elect a majority of the directors of the Association, a revision of the budget adopted by the Board of Directors shall require the affirmative vote of all the unit owners of such condominium. Subsequent thereto, the revision of the budget adopted by the Board of Directors shall require the affirmative vote of not less than seventy-five (75%) percent of all unit owners.

(c) Proviso. So long as Developer is in control of the Board of Directors of the Association, such Board shall not impose an assessment for a year greater than one hundred fifteen (115%) percent of the prior year's assessment, as hereinafter defined, without the approval of a majority of the unit owners.

(d) Approval of Budget by Membership. Notwithstanding the foregoing, the Board of Directors may, in any event, propose a budget to the unit owners at a meeting of members or by writing; and if such budget or proposed budget be approved by the unit owners at the meeting or by majority of their whole number by a writing, such budget shall not thereafter be reexamined by the unit owners in the

manner hereinabove set forth, nor shall the members be entitled to recall any Board members in the manner hereinabove set forth.

(e) Budget Requiring Assessments against Unit Owners Exceeding One Hundred Fifteen (115%) Percent of Assessments for the Preceding Year. In determining whether a budget requires assessment against unit owners in any year exceeding one hundred fifteen (115%) percent of assessments for the preceding year, there shall be excluded in the computations any provision for reasonable reserves made by the Board of Directors in respect of repair or replacement of the condominium property or in respect of anticipated expenses by the Condominium Association which are not anticipated to be incurred on a regular basis, and there shall be excluded from such computation assessments for betterments to the condominium property if the Bylaws so provide or allow the establishment of reserves or assessments for betterments to be imposed by the Board of Directors.

(f) Adoption of Budget by Membership. In the event that the Board of Directors shall be unable to adopt a budget for the Association in accordance with the requirements of subparagraph B(1) above, the directors may call a special membership meeting for the purpose of considering and adopting the budget for the Association, which meeting shall be called and held in the manner provided for such special membership meetings in subparagraph B(1) (b) above, and such budget is approved by the membership, upon the approval of the majority of the Board of Directors, shall become the budget of the Association for such year.

C. Assessments. Assessments against the condominium unit owners for their share of the items of the budget shall be made for the calendar year annually in advance on or before December 31st preceding the year for which the

assessments are made. Such assessments shall be due in equal installments, payable on a quarterly basis in advance. If an annual assessment is not made as required, an assessment shall be presumed to have been made in the amount of the last prior assessment, and quarterly installments on such assessment shall be due upon each installment payment date until changed by an amended assessment. In the event the annual assessment proves to be insufficient, the budget and assessments may be amended at any time by the Board of Directors. Unpaid assessments for the remaining portion of the calendar year for which an amended assessment is made shall be payable in as many equal quarterly installments as there are full quarters of the calendar year left as of the date of such amended assessment, each such quarterly installment to be paid in advance, commencing the first day of the next ensuing quarter. Provided, nothing herein shall serve to prohibit or prevent the Board of Directors from imposing a lump sum assessment in case of any immediate need or emergency.

D. Apportionment of Expenses. Costs and expenses attributable to or to be shared by more than one of the condominiums administered by the Association, such as, but not limited to, the maintenance of ponds, roadways and parking areas, the cost of maintaining facilities or services shared by more than one condominium, and the costs of labor or services wherein the labor or services are being provided to more than one condominium, shall be equitably apportioned by the Board of Directors to the condominium sharing such services, labor, or other benefits, and to whom such costs and expenses are attributable, and the proportionate share attributable to a condominium shall constitute a portion of its common expenses. Where benefits, services or labor are being shared on a substantially equal basis by condominiums, the basis of determining the proportionate share of such

costs to each condominium shall be computed by multiplying the total cost by a fraction, the numerator of which shall be the total number of condominium apartment units in the condominium, and the denominator of which shall be the total number of apartments in the condominiums to which such common costs and expenses are attributable.

E. Acceleration of Assessment Installments upon Default. If a condominium unit owner shall be in default in the payment of an installment upon an assessment, the Board of Directors may accelerate the remaining installments of the assessment upon notice to the condominium unit owner, and the then unpaid balance of the assessment shall be due upon the date stated in the notice, but not less than five (5) days after delivery of the notice to the condominium unit owner, or not less than ten (10) days after the mailing of such notice to him by registered or certified mail, whichever shall first occur.

F. The depository of the Association shall be such bank or banks as shall be designated from time to time by the directors and in which the monies of the Association shall be deposited. Withdrawal of monies from such accounts shall be only by checks signed by such persons as are authorized by the directors.

G. Fidelity bonds may be required by the Board of Directors for all persons handling or responsible for Association funds in such amount as shall be determined by the Board. The premiums on such bonds shall be paid by the Association.

H. Audit. An audit of the accounts of the Association may be made from time to time as directed by the Board of Directors. A copy of any audit report received as a result of an audit shall be furnished each member of the
